# COMMISSION for SOCIAL DEVELOPMENT

United Nations Headquarters, New York

---

## Housing: An Important Determinant of Health

\* **Successful delivery of the cost-effective interventions requires the integrated efforts of several health and social programs—particularly those targeted at women and children—and strengthening health systems and food security, increased community awareness and financial investments.**

**Join the efforts!**

Side Event during 58th Session of CSocD

February 17th; 11.30 am to 12.45 pm (CR. 12)
