SDG ACTION # 449770

The objectives of this Side Event are:

1. Our projects and programs are tailored to meet people where they live – support women's leadership in every aspect of water management and distribution;
2. Safe, clean drinking water means protection from preventable diseases and freedom to focus on school curriculum, play and work;
3. Equitable water access bolster community resilience, improve equitable access and promoting women's and girls' education and leadership;
4. Ensure the health, safety and well-being of all women- and men-workers.
5. Promote education, training and professional development for women of all ages.
