

Notes to Media

The Journal, *WomensHealthSection.com*, and the *WHEC UPDATE* (monthly newsletter of WHEC designed to keep you informed on the latest UN and NGO activities), are the publications of THE WOMEN'S HEALTH AND EDUCATION CENTER (WHEC), *NGO in Special Consultation with Economic and Social Council of the United Nations*, and are created by WHEC.

It is a forum for public health experts, healthcare providers, policy makers and professionals in other sectors, such as, economists, sociologists, educators, government officials, to whom health issues are important and to all whose responsibilities are affected by health considerations, to publish their findings, express their views and engage a wider audience on critical public health issues of the day. Consequently, the views expressed by the writers in these pages do not necessarily represent the views of WHEC.

The designations employed and the presentation of the material in these publications do not imply the expression of any opinion whatsoever on the part of THE WOMEN'S HEALTH AND EDUCATION CENTER (WHEC) concerning the legal status of any country, territory, city of area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by THE WOMEN'S HEALTH AND EDUCATION CENTER (WHEC) in preference to others of a similar nature that are not mentioned. All reasonable precautions have been taken by WHEC to verify the information contained in these publications. However, the published material is being distributed without warranty of any kind, either express or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHEC be liable for damages arising from its use.

The named authors alone are responsible for the views expressed in this publication. Political commitment & recognition of women's rights can ensure that every woman receives the care she needs and when she needs it. It is a basic determinant of the health of future generations.

Health for all.
