

WHEC
Helping Women World-Wide

Women's Health and Education Center (WHEC)

Countries, Territories and Areas Serving

Our e-Learning, e-Health and e-Government Initiative, launched in collaboration with the United Nations, on 24 October 2002, is proudly serving in the following UN Member States. The Women's Health and Education Center (WHEC) adheres to UN terminology (UNTERM); hence the countries, territories and areas, are referred in this way, and it is based on the information received from the United Nations. More info here:

Worldwide Service is provided by WHEC Global Health Line (WGHL)

http://www.womenshealthsection.com/content/cme/WHEC_Global_Health_Line.pdf

Total Worldwide Internet Locations of WGHL: 227

*WGHL aims to establish in collaboration with programs in low- and middle-income countries, to improve access to research, continuing medical education (CME) and quality education, in collaboration with the developed countries, of mutual benefit and mutual respect, through its **Learning, Innovating, Networking for Knowledge (LINK) Access Project**. And to catalyze collaborative networks – cutting across disciplines, sectors and borders.*

LINK Access Project – aims to provide access to quality health and educational programs, in collaboration with the World Health Organization (WHO) and United Nations Educational, Scientific, Cultural Organization (UNESCO). The Women’s Health and Education Center (WHEC) promotes and implements best practices in both developing and developed countries. WHEC provides free access to educational and reproductive health research programs and courses to Least Developed Countries (LDCs), identified by United Nations Development Programme (UNDP).
